**NOTIFICATION URGENTE D'INFORMATION DE SECURITE**

**RAPPEL VOLONTAIRE DE DISPOSITIFS MEDICAUX**

**Cathéters intermittents – Cathéter pris dans la soudure**

Cher client,

Cette lettre vise à vous informer d'une Notification urgente d'information de sécurité initiée par Bard, impliquant des lots spécifiques de Rochester Medical Cathéters - **Magic3®**, **HydroSil Gripper** et de **Cathéters intermittents** (longueurs de 10 cm et 16 cm). Les combinaisons spécifiques référence produit/numéro de lot concernés sont listés dans la pièce jointe N°1 de ce courrier.

**Motif du rappel :**

Bard a trouvé que les combinaisons référence produit/numéro de lot figurant dans la Pièce jointe 1 pourraient avoir une brèche stérile où le cathéter peut être pris dans la soudure ou ressortir du joint de soudure de l'emballage, et potentiellement présenter une coupure de la pointe du cathéter.

Seules les combinaisons de code produit/numéro de lot figurant dans la Pièce jointe 1 sont concernées par cette Notification urgente d'information de sécurité.

Nos dossiers indiquent que votre établissement a acheté une ou plusieurs unités du produit concerné. Toutes les autres combinaisons code produit / numéro de lot non répertoriées dans le tableau 1 peuvent continuer à être utilisées par votre établissement car elles ne sont pas concernées par ce rappel de produits.

**Évaluation du risque clinique :**

Non conscient du problème, un patient peut utiliser certains des cathéters affectés. Le plus grand problème relatif à cet événement indésirable résultant de l'utilisation du dispositif peut être une blessure du méat urétral du patient ou de son urètre pouvant très probablement causer une douleur et un malaise lors des insertions initiales et ultérieures de cathéter et une potentielle cause d'infection des voies urinaires.

**Si le produit concerné a déjà été utilisé en toute sécurité, aucune autre action liée au produit n'est requise.**

Sachez que l'ANSM a été informée de cette notification d'information de sécurité.

Dans le cadre de cette mesure corrective, nous vous prions de suivre les instructions ci-dessous et d'informer Bard de votre mise en conformité avec ce rappel volontaire.

**Actions demandées :**

1. Nos enregistrements indiquent que vous avez reçu des unités concernées par cette notification. **Merci de bien vouloir interrompre immédiatement toute utilisation et distribution du produit faisant l'objet de ce rappel (cf. Formulaire de confirmation).**
2. Recherchez dans tous vos sites de stockage les combinaisons de codes/numéros de lots listés dans le tableau du formulaire de confirmation.
3. Retirez immédiatement de vos stocks toutes les combinaisons de codes/numéros de lot de produit identifiées et isolez-les de la façon appropriée.
4. Si vous avez distribué à vos clients l'une des combinaisons de codes/numéros de lot de produit concernées, **merci de les prévenir immédiatement de ce rappel et leur demander de renvoyer le produit concerné à votre établissement.** Veuillez fournir à Bard toutes les informations utiles sur les produits concernés qui auraient été envoyés à d'autres établissements.
5. Veuillez envoyer le formulaire de vérification dûment complété par fax ou par Email au numéro et à l'adresse spécifiés sur le formulaire **même si** vous n'êtes plus en possession de produits faisant l'objet de ce rappel.
