Dear valued customer,

We are pleased to inform you that the current limited stock situation will soon be resolved. A new batch of the above-listed products will be available for regular purchase from **1 April 2026**.

Please note that the restricted release and acceptance under concession for critical patient treatments will end on the release date of the new batch.

We sincerely apologize for any inconvenience this temporary situation may have caused and greatly appreciate your patience, understanding, and continued trust.

Kind regards,

Caroline Blumer Toti
Head of Clinical Marketing

Martin Meyer
Head of Clinical Production
